

MERCH DROP

From all of us at High 12 we want to say thank you for believing in us, supporting our products and helping us expand our portfolio. We want to ensure that you have all the tools you need to help drive success at your store. This includes education, displays, assets and the ability to be able to connect with us anytime. We hope you like your new merch and want to continue to support your retail store and your team in any way we can. Again thank you!

Enjoy and if you have any feedback we'd love to hear from you!
